Program

Collaborative Research Travel Grants

For More Information

BWF Website [1]

Description

Grants in support of researchers to travel either domestically or internationally to a laboratory to acquire a new research technique, or to facilitate a collaboration.

Eligibility

Postdoctoral Fellows or faculty who hold a PhD in mathematics, physics, chemistry, computer science, or engineering at the time of application; and interested in investigating research opportunities in the biological sciences. Must be a Canadian and/or U.S. citizen or resident (see eligibility requirements)

Funding Availability

Up to\$15,000 is available per travel grant. Funds cover airfare, accommodation, meals, ground transportation, in addition to lab supplies and material expenses.

Indirect Costs

0%

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.
