[Call for Proposal 2018](#) [1]

Description

In recent years, proposals have been invited only for specific research topics. However, for the 2018 program, in addition to the below topics, WADA's Education Committee is making an open call for proposals.

For 2018, in addition to the open call, proposals are invited for projects that specifically address the following:

- Measuring the effectiveness of existing anti-doping interventions and strategies
- Understanding the experience and role of athlete support personnel in the pursuit of clean sport and doping prevention
- Understanding how athletes and stakeholders view the legitimacy of anti-doping rules and the wider anti-doping system

Eligibility

Proposals can be submitted from universities, colleges, small businesses, for profit and not-profit organizations

Indirect Costs

25%

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.
