Description

Canada's Most Powerful Women: Top 100™ was created to recognize the incredible accomplishments of women, develop a community of support, and increase the visibility of strong leaders in order to inspire future generations.

Award Winners have included women from all walks of life. They range from businesswomen, bureaucrats and lawyers to doctors, journalists, scientists, arts administrators and not-for-profit executives. What Top 100 Award Winners have in common is they are proven achievers who are strong contributors to their organizations, their fields of endeavor and their communities. We encourage you to nominate as many powerful, inspirational women you know. Individuals can submit a self-nomination.

Eligibility

There are several award categories. Please refer to the [Canada's Most Powerful Women Top 100 guide](#) for precise criteria for each category.

2022 Canada's Most Powerful Women: Top 100

Published on Research Alerts (<https://www-research.uoguelph.ca/research/alerts>)

- The Nominee must be actively in her role on or before December 31, 2021.
- Nominees are not required to be Canadian citizens but her achievements must be making a significant contribution in Canada.

For those interested in the Science and Technology category, the criteria are as follows:

- Empowerment Agent
How does the Nominee create an environment that empowers women in Science and Technology?
- Career Accomplishments
What is the Nominee's biggest professional achievement to date?
- Influence of Work
How has the Nominee had a measurable impact on their field/industry?
- Advocate for Women in STEM
How has the Nominee demonstrated her commitment to, and advocacy for, other women in STEM?

Prize

An awards gala that recognizes a woman as one of the highest achieving female leaders in Canada.

Special Notes

Please note that research activities carried out in the context of COVID-19 need to adhere to the University of Guelph COVID-19 research principles, policies, guidelines and processes as they may be updated from time to time and communicated on the [Office of Research web-page](#).

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.
