Description

The Career Transition award program will identify and engage rising stars pursuing innovative research in labs and academic institutions in Canada. This program has the long-term goal of developing the next generation of scientists across various disciplines within basic and clinical sciences, contributing to knowledge generation and translation in ALS.

Eligibility

Applicant must be a postdoctoral fellow (have a Phd) or Research Associate working at a Canadian institution to transition into an independent position contributing to ALS research.

By the time of the funding start date, the applicant should be ready to transition within the next 2 to 3 years

Non-Canadian citizens or permanent residents training in Canadian labs are eligible to apply, but, if awarded, they would need to demonstrate they are eligible to work/study in Canada for the duration of the requested funding.

Maximum Project Value

\$250,000 CAD which breaks down as \$60,000 salary and \$20,000 research allowance yearly,

except for year three where the research allowance increases to \$30,000

Indirect Costs

0%

Project Duration

3 years

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.

Type	Date	Notes
Internal Deadline	Wednesday, August 16, 2023 - 11:59pm	Applicant to submit a copy of application along with a complete OR5 form to research.services@uoguelph.ca [2].
External Deadline	Wednesday, August 23, 2023 - 1:00pm	Complete applications should be submitted via email to the ALS Canada Research Team (research@als.ca [3]).

How to Apply

See "Application Process" in the attached [Terms of Reference 2023](#) [4] document.
