Special Notes

Please note that research activities carried out in the context of COVID-19 need to adhere to the University of Guelph COVID-19 research principles, policies, guidelines and processes as they may be updated from time to time and communicated on the [Office of Research web-page](#) [7].

If you are considering applying, please contact [Angela Vuk](#) [8] as soon as possible to assist with application requirements.

How to Apply

Submission is a two-step process requiring both pre-application submission through the electronic Biomedical Research Application Portal ([eBRAP](#)) [9] prior to the pre-application deadline, and full application submission through [Grants.gov](#) [3]. All applications must conform to the final Funding Opportunities/Program Announcements and General Application Instructions which can be found on the [Grants.gov](#) [10] website. For detailed information on the submission process, refer to the specific Program Announcement/Funding Opportunity.

If you are interested in applying, **please contact the Office of Research as soon as possible so we can work through the application process and [Grants.gov](#) [3] with you.**
