- Letter of Intent template
- Research Priorities

Background on CCC and details about this call for Letters of Intent (LOI) can be found on the [Canola Council of Canada website](#) [2]

### **Description**

From 2010-2018, the canola industry and AAFC will have jointly invested close to \$40 million in two canola research clusters funded under Growing Forward 1 and 2. This investment has been integral in helping the industry meet its goals, and has successfully addressed multiple industry-wide priorities. For more information on the development of the Next Policy Framework, please visit the [AAFC website](#) [3].

The Canola Council of Canada, along with Alberta Canola, SaskCanola and Manitoba Canola Growers Association, are looking to build on this success and propel the industry to the targets set in the strategic plan, [52 by 2025: Keep it Coming](#) [4]. A request for Letters of Intent (LOI) for possible inclusion in a third science cluster is underway.

Type	Date	Notes
External Deadline	Monday, March 13, 2017 - 9:00am	Please note that letters of intent must be submitted to the sponsor no later than Monday March 13, 2017 at 8:00am CDT which converts to 9:00am EST.

## How to Apply

### 1. Expression of Interest

- LOI's must be submitted on the appropriate [template](#) [5] and must align with one of the research priority areas as described in the document: [Canola Research Priorities for the Next Policy Framework](#) [6] (PDF).
- The deadline for submission of LOI's is **March 13, 2017** at 8:00 am CDT. LOI's may be submitted by email to Lisa Campbell, Oil Nutrition Research Manager at [campbell@canolacouncil.org](mailto:campbell@canolacouncil.org) [7].
- Researchers are not required to submit their EOI to the Office of Research for approval before submission to the sponsor. Researchers are asked to send a copy of their EOI to the Office of Research for information purposes only. An OR-5 is not required at the EOI stage. Researchers will be notified by the sponsor if they have been invited to submit a full proposal.

### 2. Full Proposal

- Only successful applicants will be notified and asked to provide a full research proposal

for consideration. Those invited to submit a full proposal must submit their full proposal to the Office of Research two weeks in advance of the sponsor's deadline with a signed OR-5.

## Information For Co-applicants

If you are part of an application or team that has been invited to submit a full proposal but are not the lead, please contact the Office of Research as soon as possible.
