[Guidelines](#) [1]

### Description

The Killam Research Fellowships are release time awards that provide support to scholars of exceptional ability who are engaged in research projects of broad significance and widespread interest within the disciplines of the humanities, social sciences, natural sciences, health sciences, engineering or studies linking any of these disciplines.

### Eligibility

Typically, a fellowship recipient is a full professor in a Canadian University with significant teaching and/or administrative responsibilities. It is expected that Fellows continue contributing to the Canadian research community after they have completed their fellowship project. Applicants must be a Canadian Citizen or Permanent Resident.

### Funding Availability

\$70,000.00/year for 2 years

### Deadlines

**If College-level review is required, your College will communicate its earlier internal deadlines.**
