Innovation Fund

Description

CFI seeks to support promising and innovative research or technology development in areas where Canada currently is, or has the potential to be, competitive on the global stage. The University of Guelph will consider providing allocation to applications led by other universities. If you are co-applicant on a CFI proposal led by another University, please submit an Expression of Interest as detailed in the How to Apply section below.

Funding Availability

The University has reserved up to \$1.5M in CFI IF envelope to support proposals led by other universities.

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.
