

Canada Gairdner Momentum Award 2024

Sponsor

Canada Gairdner Foundation

Description

The **Canada Gairdner Momentum Award** annually recognizes 2 mid-career investigators (typically 10-15 years past their first independent research appointment) working in Canada who, in their last 6 active years, have produced exceptional scientific research contributions with continued potential for impact on human health. The Gairdner Foundation welcomes submissions from all areas of health research including but not limited to discovery, clinical, global health, and population science and translational research.

Successful nominees will have produced a focused, cohesive body of scientific research which has made a significant impact in health research. Consideration will also be given to a nominee's contributions to the growth and enrichment of the Canadian research community.

Eligibility

Nomination guidelines are available on the [Canada Gairdner Momentum Award web-page](#).

- Mid-career (typically 10–15 years past first independent appointment)
- Working in Canada
- In last 6 years have produced exceptional scientific research contributions with continued potential for impact on human health

Nominations are active for the year of submission only and must be resubmitted in following years to be considered again. Candidates can self-nominate or be nominated by others.

Initial submissions are due 11:59 pm PST on July 15 each year. Applications chosen to progress to the second stage will be notified by August 15. Final submissions are due on October 1 by 11:59 pm PDT. Recipients will be announced in the spring of the following year.

Prize

The Prize is valued at \$50,000 CAD, plus an award citation and a medal.

How to Apply

The Vice-President (Research) encourages nominations for this prestigious award and will serve as nominator for those nominees recommended by the Honours and Awards Advisory Committee. If you wish to nominate a colleague or to be considered for VPR nomination:

1. We recommend discussing your interest in this award with your College Research Manager and Associate Dean (Research).
2. Complete the [Expression of Interest document](#).
3. Send the completed Expression of Interest document and a CV to ailsakay@uoguelph.ca and copy your College Research Manager by the internal deadline.

Career interruptions due to parental leave, family care, extended illness or community responsibilities will not negatively impact the committee's assessment of a candidate's research productivity. These will be taken into consideration when EOIs are assessed.

If your nomination will be submitted by a different nominee, and therefore does not require the Vice-President's endorsement, please submit a complete nomination and signed OR-5 to research.services@uoguelph.ca by the external deadline.
