Description

The Award, established in 1987, was renamed in 1989 to honour Professor Haim Falk, founding editor of the CAAA Journal, *Contemporary Accounting Research*. One award will be made each year at the CAAA Annual Conference, subject to there being a worthy winner. The Haim Falk Award is intended to stimulate scholarly thinking and research in Canada by giving widespread recognition to excellence in scholarly achievement that clearly contributes to the advancement of accounting thought.

Any informed person or group, especially colleagues, departmental committees, other researchers, and provincial or national societies may submit nominations. Eligibility:

- The author or authors should be (physically) resident in Canada at the time of the contribution and may be involved in any aspect of public, industrial or governmental accounting, or academia.
