## CCV Publication Import - PubMed

The PubMed utility in CCV to import publications has changed, causing users to be unable to import their publications. Until this issue has been rectified, users must input publications manually. A message has been posted to the [CCV website](#) to notify users, and an email will be sent to Subscribers. If you have any questions, do not hesitate to contact NSERC's Program Operations Unit, Research Grants and Scholarships Directorate, at [coord@nserc-crsng.gc.ca](mailto:coord@nserc-crsng.gc.ca).
