CIHR 2023 Question & Answer Session for Trainees and Postdoctoral Researchers in Health Research

Sponsor

Canadian Institutes of Health Research

Description

CIHR will be offering two MS Teams Q&A sessions to trainees, postdoctoral researchers and institution staff regarding award programs that are offered. The presentation will start by providing a quick overview of our programs, however the majority of the session will be spent answering participant questions.

The presenters will be using [Slido](#) [1], an interactive tool where participants will have the opportunity to ask questions during the session. You are encouraged to submit your questions to Slido in advance, and the presenters will do their best to answer them during the session.
