Description

The University of Guelph's Agreement on the Administration of *(Tri-)* Agency Grants and Awards is valid until March 31, 2018. This Agreement sets out the basic requirements for an institution to obtain and maintain eligibility to administer grant and award funds from the Agencies.

A revised Agreement (2018-2023) has been proposed and the Tri-Agencies are seeking feedback on the proposed revisions over the next few weeks.

The University may only submit a single response. As such, the Office of Research is inviting the research community to submit feedback for inclusion in the institution's response.

Please find the revised Agreement at http://science.gc.ca/eic/site/063.nsf/eng/h_97401.html [1]

The deadline for the receipt of feedback is August 8, 2017. Submissions are to be sent to Jill Rogers, Managing Director Research Operations, at jlrogers@uoguelph.ca [2].

In the autumn, the Agencies will review the comments received, and prepare a final version to be distributed to institutions in January 2018, for signature by all parties by March 15, 2018.
