Customize how you receive Research Alerts

Did you know you can control how you view and receive Research Alerts?

You can:

- Set the frequency of your notifications to: Immediately; Daily; or Never.
- Turn on/off immediate Email Calendar Notifications.
- Select your preferences for types of alerts and disciplines that apply.

To set your preferences:

1. Log on to your [Research Alert Account](#).
2. On the black tool bar choose: **My Settings**.
3. Make your selections.
4. Press "**Save**" button at the bottom of the page.

Please let our team know if you require further assistance.
