

Douglas R. Colton Medal for Research Excellence

Sponsor

Canada's National Design Network® (NDN).

Description

Douglas R. Colton Medal recognizes excellence in:

- research leading to new understanding and novel developments in one or more microsystems or nanotechnologies including photonics/optoelectronics, microelectromechanical systems (MEMS), nanoelectronics, microelectronics, microfluidics, nano-materials, and embedded software; and/or
- the application of microsystems and/or nanotechnology in Canada

Eligibility

Candidates for the award may be faculty, students or alumnae who have successfully completed a Master's or PhD degree in a Canadian university within the previous three calendar years.

Prize

The medal and a cash award of \$4,500

Special Notes

The University may submit one nomination per year. Therefore, this nomination will be adjudicated first at the College level, and second at the University level.

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.

Type	Date	Notes
Internal Deadline	Friday, August 11, 2017 - 4:30pm	Submit nomination information
