

## **Douglas R. Colton Medal for Research Excellence**

### Updated Information

Eligibility information added: Candidates for the award may be faculty, students or alumni who have successfully completed a Master's or PhD degree in a Canadian university within the previous three calendar years.

## **Sponsor**

Canada's National Design Network

## **Description**

Douglas R. Colton Medal recognizes excellence in:

- research leading to new understanding and novel developments in one or more microsystems or nanotechnologies including photonics/optoelectronics, microelectromechanical systems (MEMS), nanoelectronics, microelectronics, microfluidics, nano-materials, and embedded software; and/or
- the application of microsystems and/or nanotechnology in Canada

## **Eligibility**

Candidates for the award may be faculty, students or alumni who have successfully completed a Master's or PhD degree in a Canadian university within the previous three calendar years.

## **Prize**

Medal and cash award of \$4,500.

## **Special Notes**

The University of Guelph may only submit one nomination per year. Therefore, nominations will be adjudicated first at the College level, and second at the University level.

## **Deadlines**

**If College-level review is required, your College will communicate its earlier internal**
