

Engineers Canada Fellowship 2023

Sponsor

Engineers Canada

Description

Engineers Canada Fellowships honour individuals who have given noteworthy service to the engineering profession through their work with either Engineers Canada or its provincial and territorial engineering regulators.

These Fellowships provide national recognition from your peers for your service and contribution to the engineering profession.

Eligibility

Individuals can be nominated by Engineers Canada or its provincial and territorial engineering regulators based on the criteria outlined on the [Engineers Canada Fellowships web-page](#).

Nominees may include:

- professional engineers;
- individuals who have provided an outstanding contribution to the advancement of the engineering profession within Canada;
- non-engineers who meet the nomination criteria; and
- recipients of specific Engineers Canada awards (as outlined on their website).

Prize

An honorary fellowship and membership pin

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.
