

Faculty Information Exchange Series 2017-18: Basic Grant Writing Tips – Natural Sciences and Engineering

Date	Location	Notes
Thursday October 5, 2017 12:00pm to 1:00pm	UC 441	No reservation necessary. All welcome! Webinar participation available. For more information contact Patti Minakis, ext. 56943 Be part of the conversation!

Description

Led by

Dr. Merritt Turetsky, Associate Professor & Canada Research Chair Tier 2, Department of Integrative Biology

Dr. Graham Taylor, Professor, School of Engineering

Successful grant recipients will present general strategies for writing research grant applications, including identifying and addressing the relevant "audience", minimizing risks, framing the application, balancing detailed and general information, presentation style, the importance of peer review and more. This is an opportunity to have general grant writing questions discussed.

Full listings of sessions are available on the [Faculty Information Exchange 2017-18 website.](#)
