Description

Led by:

- **Dr. Leanne Son Hing**, Professor, Department of Psychology, SSHRC-funded EDI researcher, Former CIFAR Fellow
- **Dr. Graham Taylor**, Professor, School of Engineering, Tier 2 Canada Research Chair in Machine Learning
- **Joanne Garcia-Moores**, PhD Candidate, Indigenization & EDI Advisor in Research, Research Services Office

This session will present evidence and experience about how to create and sustain a diverse team of researchers and/or research collaborators through conscious practices of equity and inclusion. We'll discuss the difference between diversity as representation versus more sustainable forms of diversity. We'll also touch on granting agency EDI expectations related to research teams and how to communicate your individual EDI philosophy and approach in grant

applications.
