Description

The New Scientific Collaboration Support Program, financed by the France-Canada Research Fund (FCRF), aims to accomplish the following objectives:

- support developing new expert partnerships between France and Canada
- promote the advancement of research and innovation
- prepare and structure scientific cooperation between the two countries
- promote researcher mobility, particularly for young researchers
- provide research training for young researchers

NEW: The 2023 edition will offer two priority themes:

- “Healthy aging in our societies: A cross perspective of social sciences and technologies”
- “Energy transition: New technologies with a societal impact “

Eligibility

- Only projects led by **PIs who have never collaborated before** will be considered.
- **PhD candidate and individuals holding postdoctoral positions** are not eligible as PIs.

- Canadian PIs must be from one of the **21 Canadian member universities of the FCRF**.
- Teams not selected in previous editions Canadian that wish to apply again must inform the Embassy of France in Canada at the time of submitting their new application (there is a limit of one second application).

Maximum Project Value

Award amounts range from \$8,000 to \$15,000 CDN.

90% of the funding awarded will support mobility of researchers and students affiliated with the project.

Indirect Costs

0%

Project Duration

2 years

Special Notes

Please note that research activities carried out in the context of COVID-19 need to adhere to the University of Guelph COVID-19 research principles, policies, guidelines and processes as they may be updated from time to time and communicated on the [Office of Research web-page](#) [2].

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.

Type	Date	Notes
Internal Deadline	Friday, November 11, 2022 - 11:59pm	Applicant to submit a copy of application along with a complete OR5 form to research.services@uoguelph.ca [3].

Please note: A maximum of five pre-selected proposals can be submitted per Canadian university to the Embassy of France in Canada. However, if

Published on Research Alerts (<https://www-research.uoguelph.ca/research/alerts>)

Type	Date	Notes
		there are more than five submissions from the University of Guelph, applications will be adjudicated.
External Deadline	Friday, November 18, 2022 - 11:59pm	<p>Applicant: Applications must be submitted electronically to the to the Embassy of France's Scientific Office (assistant.science@ambafrance-ca.org [4]) and cc'd to the FCRF correspondent at University of Guelph (Grants Officer omccarro@uoguelph.ca [5]).</p> <p>Note regarding file names: A SINGLE PDF must begin with the surname of the lead French researcher, followed by the surname of the lead Canadian researcher</p> <p>(ex: nameFR_nameCA.pdf).</p>

How to Apply

Both PIs must fill-in the application form (See "File Attachments" below for the form):

- Answer the eligibility questions and secondary questions .
- Select the scientific field(s). Please check the 2023 specific theme box if applicable.
- Fill in sections 1 to 8.
- Provide the CVs of the team members involved in the project (maximum 4 CVs). The CVs must summarize research activities for the last 10 years, including the most representative publications, conferences, awards and distinctions, as well as the supervision of early stage researchers.
