
Funding Opportunities for Orthotics and Prosthetics, Tuberous Sclerosis, and Orthopaedic Research

Sponsor

United States Department of Defense (DOD)

Program

Congressionally Directed Medical Research Program (CDMRP).

For More Information

Detailed descriptions of the funding opportunity, evaluation criteria, and submission requirements can be found in the Program Announcements. The Program Announcements are available electronically for downloading from the [Grants.gov](https://www.grants.gov) [1] website, the [CDMRP](https://www.cdmp.org) [2] website and the electronic Biomedical Research Application Portal ([eBRAP](https://www.ebrap.org) [3]).

Additional information about applying to CDMRP programs, as well as tips for successfully preparing applications for different types of CDMRP award mechanisms, are available in the CDMRP [Webinar Series](https://www.cdmp.org/webinars) [4].

Description

The following Funding Opportunities have been released:

Orthotics and Prosthetics Outcomes Research Program

Clinical Research Award

Clinical Trial Award

Peer Reviewed Orthopaedic Research Program

Applied Research Award

Clinical Translational Research Award

Clinical Trial Award

Tuberous Sclerosis Complex Research Program

Clinical Translational Research Award

Exploration - Hypothesis Development Award

Idea Development Award

Funding Availability

See specific call for applicable funding information.

Indirect Costs

10%

Special Notes

Please note that research activities carried out in the context of COVID-19 need to adhere to the University of Guelph COVID-19 research principles, policies, guidelines and processes as they may be updated from time to time and communicated on the [Office of Research web-page](#) [5].

If you are considering applying, please contact [Angela Vuk](#) [6] as soon as possible to assist with application requirements.

How to Apply

Submission is a two-step process requiring both pre-application submission through the electronic Biomedical Research Application Portal ([eBRAP](#)) [7] prior to the pre-application deadline, and full application submission through [Grants.gov](#) [1]. All applications must conform to the final Funding Opportunities/Program Announcements and General Application Instructions which can be found on the [Grants.gov](#) [8] website. For detailed information on the submission process, refer to the specific Program Announcement/Funding Opportunity.

If you are interested in applying, **please contact the Office of Research as soon as possible so we can work through the application process and [Grants.gov](#) [1] with you.**
