Descriptions of each of the **anticipated** funding opportunities, eligibility, key mechanism elements, and funding can be found in the Program pre-announcements. FY21 pre-announcements can be found in the CDMRP home page [2].

Detailed descriptions of the **released** funding opportunities, evaluation criteria, and submission requirements can be found in the specific Program Announcements. The Program Announcements are available electronically for downloading from the Grants.gov website [3] , the CDMRP website [4], and the electronic Biomedical Research Application Portal (eBRAP) [5]

Additional information about applying to CDMRP programs, as well as tips for successfully

preparing applications for different types of CDMRP award mechanisms, are available in the CDMRP Webinar Series. [6] All CDMRP funding opportunities, both recently and previously released, are available on the CDMRP website [7].

Special Notes

Please note that research activities carried out in the context of COVID-19 need to adhere to the University of Guelph COVID-19 research principles, policies, guidelines and processes as they may be updated from time to time and communicated on the Office of Research web-page [8].

How to Apply

Submission is a two-step process requiring both pre-application submission and full application submission. All pre-applications must be submitted through eBRAP (https://eBRAP.org/ [9]). Full applications must be submitted through Grants.gov (http://www.grants.gov/ [10]). Refer to the General Application Instructions, Section II.A. for registration and submission requirements for eBRAP and Grants.gov. For detailed information on the submission process, refer to Section II.D. of the Program Announcement/Funding Opportunity.
