

Gairdner Week Early Career Investigator Competition

Sponsor

The Canada Gairdner Foundation

Description

The Canada Gairdner Foundation invites early career investigators across Canada to submit an application to present their research as part of the Gairdner Science Week virtual events in October. The Gairdner Foundation was established in 1957 with the main goal of recognizing and rewarding international excellence in fundamental research that impacts human health.

Eligibility

Applicants must be faculty or professionals at the Assistant Professor or equivalent rank in Canada.

Prize

Four investigators will be chosen to give 15 minute talks in association with the Laureate Lectures on October 28, 2021 and to participate in a networking session with the 2021 laureates. The talks will be broadcast live and recorded for YouTube distribution globally.

Special Notes

Please note that research activities carried out in the context of COVID-19 need to adhere to the University of Guelph COVID-19 research principles, policies, guidelines and processes as they may be updated from time to time and communicated on the [Office of Research web-page](#) [1].

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.
