Program

Gender Wage Gap Grant Program

Description

Purpose

The Gender Wage Gap Grant Program (GWGGP) is intended to advance actions to promote equality between women and men that support efforts to close Ontario's gender wage gap. This call for proposals supports the Government's priority of economic growth by adding to our understanding of the gender wage gap and how the earning potential of Ontario's working women can be maximized. This in turn benefits working families, the labour force in general and overall economic productivity.
