Sponsor

Great Lakes Fishery Commission (GLFC)

Program

[Fishery Research Program and Sea Lamprey Research Program](#) [1]

Description

Pre-proposals for the Fishery Research Program and Sea Lamprey Research Program are being accepted until January 15, 2021. Please review the [call for proposals](#) [1] before submitting your pre-proposal. Pre-proposals should be submitted through the [online portal](#) [2], which contains detailed submission instructions.

Proposals are evaluated for relevance and scientific merit and against information needs identified by the Research Themes under which they are submitted.

Funding Availability

Individual awards are typically between \$35,000 and \$100,000 per year. Note that the funding limit for pilot projects has increased to \$20,000.

Indirect Costs

5%.

Project Duration

Projects may not have a start date before January 1, 2022.

Special Notes

Please note that research activities carried out in the context of COVID-19 need to adhere to

the University of Guelph COVID-19 research principles, policies, guidelines and processes as they may be updated from time to time and communicated on the [Office of Research web-page](#) [3].
