

Great Lakes Fishery Commission: Sea Lamprey Research Program Call for Pre-Proposals

Sponsor

Great Lakes Fishery Commission

Program

Sea Lamprey Research program

For More Information

[Call for Pre-Proposals](#) [1]

For additional information please visit the [program's website](#) [2].

Description

Pre-proposals for the 2019 funding cycle for the Sea Lamprey Research Program are being accepted until January 15, 2018. Please review the [call for proposals](#) [3] before submitting your pre-proposal. Pre-proposals should be submitted through the [online portal](#) [4], which contains detailed submission instructions.

Funding Availability

Individual awards are typically between \$35,000 and \$100,000 per year.

Indirect Costs

5%

Special Notes

- Investigators at Canadian agencies or institutions must submit budget information in CDN
- Publication charges must not be included in the budget in accordance with the

[commission's publication charge policy](#) [5]

- Projects may not start before January 1, 2019.

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.

| Type | Date | Notes |
|--------------------------|------------------------------------|--|
| External Deadline | Monday, January 15, 2018 - 11:59pm | Researchers will be responsible for submitting their pre-proposal to the sponsor in accordance with their submission guidelines. Researchers invited to submit a full proposal must notify the Office of Research Services. At the time of full proposal, an OR5 and full application must be submitted to the Office of Research Services one week prior to the external deadline for review. |

For Questions, please contact

For program-specific questions contact Sea Lamprey Research Program: slrp@glfc.org [6] or call 734-662-3209 and ask to speak to a Science Program staff member.
