

Imperial Oil - University Research Awards Program 2018

Sponsor

Imperial Oil

Program

[University Research Awards](#) [1]

Description

University research awards are designed to encourage research at Canadian universities in areas of interest to Imperial Oil's petroleum, petrochemical and energy resource development businesses. These areas include the fields of engineering, environmental, earth, chemical, and physical sciences.

Eligibility

Awards for specific research projects are made to full-time faculty members to support research work carried out by university students under their direction.

Funding Availability

Individual awards are normally available in amounts ranging from \$10,000 to \$25,000 depending on budgets for the proposed research, availability of funds, and potential significance of the research as determined by Imperial.

Indirect Costs

40%

Project Duration

Awards are made for one year and may be renewed annually for a maximum tenure of three years.
