

Imperial Oil - University Research Awards Program 2022

Sponsor

The awards are funded by Imperial Oil Resources Limited and Imperial Oil, a partnership of Imperial Oil Limited and McColl-Frontenac Petroleum Inc ("Imperial Oil").

Program

[Imperial Research Grant](#) [1]

Description

Educational institution research awards are designed to encourage research at Canadian universities and colleges in areas of interest to Imperial Oil's petroleum, petrochemical and energy resource development businesses. These areas include the fields of engineering, environmental, earth, chemical and physical sciences.

Eligibility

Awards for specific research projects are made to full-time faculty members to support research work carried out by university students under their direction.

Maximum Project Value

Individual awards are normally available in amounts up to \$25,000 depending on budgets for the proposed research, availability of funds, and potential significance of the research as determined by Imperial.

Indirect Costs

40%

Project Duration

Awards are made for one year and may be renewed annually for a maximum tenure of three years.

Special Notes

Terms and Conditions

Successful award applicants and their universities will be required to sign the non-negotiable terms and conditions of the award.

COVID-19

Please note that research activities carried out in the context of COVID-19 need to adhere to the University of Guelph COVID-19 research principles, policies, guidelines and processes as they may be updated from time to time and communicated on the [Office of Research web-page](#) [2].

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.

Type	Date	Notes
Internal Deadline	Thursday, December 8, 2022 - 4:30pm	Please submit your application, along with an OR-5 Form to research.services@uoguelph.ca [3]
