

Indigenous Research Symposium

Date	Location
Wednesday September 27, 2023 10:00am to 3:30pm	Online

Description

The Ontario Ministry of Agriculture, Food and Rural Affairs (OMAFRA) is hosting a virtual gathering to explore the rich tapestry of Indigenous knowledge and research.

The symposium aims to foster dialogue and collaboration among Indigenous researchers, scholars and knowledge keepers. Together, participants will delve into a wide range of topics including:

- Exploring Indigenous worldviews
- Learning about Traditional Knowledge
- Understanding Indigenous research methodologies in the agriculture and food area, and
- Gaining knowledge.
