Description

The International Institute of Knowledge Management (TIKM) is pleased to announce the Global Warming and Climate Change 2018 (GlobeWarm '18), which will be held on October 4-5th, 2018 in Bangkok, Thailand under the theme "Creating a global dialogue towards a sustainable future"

GlobeWarm'18 provides a premier interdisciplinary platform for researchers, practitioners and educators to present and discuss the most recent research findings, trends, and concerns, as well as practical challenges, encountered and solutions adopted in the fields of Climate Change. The organizing committee invite all researches, scholars, scientists, policy makers and stake holders to grab this precious opportunity which makes the milestone in the field.

Researchers are invited to send abstracts for all modes of Oral, Poster and Virtual Presentations. Submit Your Abstract at - abstract@globalclimateconference.com by July 3, 2018.
