

Knowledge Network for Applied Research Information Session

Date

Tuesday May 9, 2017 10:00am to 11:00am

Location

Webinar

Description

Now that you've had a chance to review [the Call for Proposals for the Learning and Leading for Equity Knowledge Network](#), gather your questions and join us for an Information Session on May 9, 2017. The session will be virtual – please register here <https://www.eventbrite.ca/e/knaer-equity-information-session-tickets-34258179136>

We will provide some background on the Knowledge Network for Applied Education Research and walk through the components of the current Call. You will have the opportunity to ask questions and hear the questions and answers from others – we will also record the session and post it to the KNAER site for reference after the session is over.

We know that individuals and organizations want to connect around this Call so we will offer some networking 'space' during the session. There is also a "Connect Here" box on the [KNAER website](#) where you can meet others who are interested in being part of the Equity Knowledge Network and/or are looking for partners to join them on an application.
