

## Let's Talk CIHR - Online Discussion

### Sponsor

Canadian Institutes of Health Research (CIHR)

### Description

CIHR has launched an online discussion on systemic racism in the health research funding system. This discussion can be found at the [Let's Talk CIHR](#) [1] website, and it will remain open until April 9<sup>th</sup>.

This online discussion will be followed by virtual small group listening sessions with racialized communities and dedicated activities with Indigenous communities. The collective learnings from these engagements will be used to inform the development of a CIHR action plan, or plans, to address systemic racism in the health research funding system. Please join the conversation!

[REGISTER](#) [2] to get involved.

### Special Notes

Please note that research activities carried out in the context of COVID-19 need to adhere to the University of Guelph COVID-19 research principles, policies, guidelines and processes as they may be updated from time to time and communicated on the [Office of Research web-page](#) [3].
