

L'Oreal - UNESCO For Women in Science International Awards 2022

Sponsor

L'Oreal Corporate Foundation and UNESCO

Description

Created in 1998, the L'Oréal-UNESCO *For Women in Science* International Awards honours - every year - 5 eminent women scientists from 5 regions of the world.

The scientific fields considered for the awards alternate every other year between Life and Environmental Sciences (even years) and Physical Sciences, Mathematics and Computer Science (odd years).

The 2022 award will designate five outstanding researchers in the field of Life and Environmental Sciences.

For more information visit the [L'Oreal -UNESCO For Woman in Science International Awards](#) [1] website.

Program details and timeline are not yet confirmed. This information will be updated when the program launches.

Eligibility

To be considered eligible for an award, the candidate must be nominated by an eminent scientist, such as heads of scientific institutions, members of national science academies or other national scientific institutions, research chairs, professors, etc. At a minimum, qualified nominators, must be holders of a Ph.D. The candidate must:

- Be recognized for her personal scientific excellence among the international scientific community,
- Be actively involved in scientific research,
- Be involved in any field of Life and Environmental Sciences

Self-nominations are not eligible.

Prize

An award of €100,000 is given to each of the five laureates selected by a jury of internationally renowned experts.

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.

Type	Date	Notes
Internal Deadline	Thursday, April 15, 2021 - 8:00am	If you wish to be considered for VPR nomination, please submit your Expression of Interest (details below) to research.honours@uoguelph.ca [2]
External Deadline	Monday, May 31, 2021 - 5:00pm	If your nomination will be submitted by a nominator other than the VPR, please submit directly to the sponsor by the external deadline. Please also submit a copy of the full nomination and OR-5 to research.services@uoguelph.ca [3].

How to Apply

Candidates may be nominated by eminent scientists, such as heads of scientific institutions, members of national science academies or other national scientific institutions, research chairs, professors, etc.

The Vice-President (Research) encourages nominations for this award, and will serve as nominator for those nominees recommended by the Honours and Awards Advisory Committee. If you wish to nominate a colleague or to be considered for VPR nomination, please submit an Expression of Interest (EOI) to research.honours@uoguelph.ca [2] by the internal deadline.

An Expression of Interest will include:

L'Oreal - UNESCO For Women in Science International Awards 2022

Published on Research Alerts (<https://www-research.uoguelph.ca/research/alerts>)

- A draft letter (two-three pages) addressed to the VPR, signed by your ADR, which outlines how you/your nominee meets the criteria outlined on the [L'Oreal - UNESCO For Women in Science International Awards](#) [1] website.
- an up-to-date CV for nominee (and each member of the team, if applicable)

If your nomination will be submitted by a different nominee, and therefore does not require the Vice-President's endorsement, please submit a complete nomination and OR-5 to research.services@uoguelph.ca [3] by the external deadline.

Nominations can only be submitted electronically through the online dedicated platform: [L'Oreal - UNESCO For Women in Science International Awards](#) [1] under "Nominate a Candidate".
