# Lung, Ovarian and Tick-Borne Disease Research Programs

## **Sponsor**

U.S. Department of Defense

### **Program**

Congressionally Directed Medical Research Programs (CDMRP)

# **Description**

The following fiscal year 2021 programs are announced:

Lung Cancer Research Program (LCRP) [1]

- Career Development Award
- Concept Award

Ovarian Cancer Research Program (OCRP) [2]

- Clinical Translational Research Award
- Investigator-Initiated Research Award
- Ovarian Cancer Academy Award Early-Career Investigator
- Pilot Award
- Proteogenomics Research Award

### The following fiscal year 2021 program *Pre-Announcements* are Released:

Tick-Borne Disease Research Program (TBDRP) [2]

- Career Development Award
- Idea Development Award

### Lung, Ovarian and Tick-Borne Disease Research Programs

Published on Research Alerts (https://www-research.uoguelph.ca/research/alerts)

Descriptions of each of the anticipated funding opportunities, eligibility, key mechanism elements, and funding can be found in the Program pre-announcement. FY21 pre-announcements can be found in the CDMRP <a href="https://home.page">home.page</a> [3]. Subsequent notifications will be sent when the program announcements/funding opportunities are released. Detailed descriptions of funding opportunities, evaluation criteria, and submission requirements can be found in the specific Program Announcements. The Program Announcements are available electronically for downloading from the Grants.gov <a href="https://website">website</a> [4], the CDMRP <a href="https://website">website</a> [5], and the electronic Biomedical Research Application Portal (<a href="https://website">eBRAP</a> [6]).

Additional information about applying to CDMRP programs, as well as tips for successfully preparing applications for different types of CDMRP award mechanisms, are available in the CDMRP Webinar Series [7].

## **Special Notes**

Please note that research activities carried out in the context of COVID-19 need to adhere to the University of Guelph COVID-19 research principles, policies, guidelines and processes as they may be updated from time to time and communicated on the Office of Research web-page [8].

If you are considering applying, please contact <u>Angela Vuk</u> [9] as soon as possible to assist with application requirements.

# **How to Apply**

Submission is a two-step process requiring both pre-application submission and full application submission. All pre-applications must be submitted through <a href="mailto:eBRAP">eBRAP</a> [10]. Full applications must be submitted through <a href="mailto:Grants.gov">Grants.gov</a> [11]. Refer to the General Application Instructions, Section II.A. for registration and submission requirements for eBRAP and Grants.gov. For detailed information on the submission process, refer to Section II.D. of the Program Announcement/Funding Opportunity.
