

Mathilde Krim Fellowships in Basic Biomedical Research

Sponsor

amfAR

Description

The goal of amfAR's Mathilde Krim Fellowships in Basic Biomedical Research is to:

- Facilitate the exceptional postdoctoral researcher's transition to an independent career in HIV/AIDS research within an academic institution or nonprofit organization
- Support two years of postdoctoral basic biomedical research (phase I)
- Provide the possibility of one additional year of research funding during the first year of an independent research position (phase II)

Eligibility

- Hold a research or clinical doctorate completed between three and six years prior to April 14, 2017
- Be affiliated with a nonprofit research institution anywhere in the world
- Be mentored by an experienced investigator at the same institution who: (a) is qualified to oversee the proposed research; (b) has successfully supervised postdoctoral fellows; and (c) is at the associate professor level or higher
- Be positioned to secure an independent research position no later than March 2020
- Be the first author on significant publications in leading peer-reviewed journals
- Have made oral and poster presentations at major scientific conferences and meetings
- Propose a line of research that indicates the applicant is ready to become intellectually independent of the mentor

Funding Availability

Maximum \$150,000

Indirect Costs

10%

Project Duration

Two years starting October 1, 2017

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.

Type	Date	Notes
External Deadline	Thursday, May 11, 2017 - 3:00pm	LETTER OF INTENT : PI to submit on line directly to sponsor. More information can be found in link below. To obtain log-in information to submit a Letter of Intent: • Register and request LOI materials [1] • Complete registration form and email it to grantapps@amfar.org [2] on or before May 9, 2017
