
MCU - Co-applicants for Ontario Research Fund - Research Excellence (ORF-RE) Round 12

Sponsor

Ministry of Colleges and Universities

Description

The Ontario Research Fund–Research Excellence (ORF-RE) provides research institutions with funding to support the operational costs of major projects of strategic value to the province. The fund provides up to one third of the total value of a project. The remaining two-thirds of funding comes from a combination of private sector and institutional contributions.

See the [ORF-RE website](#) [1] for Round 12 Program Guidelines and Application Forms.

The deadlines and requirements outlined in this research alert apply to Co-Applicants, with the PI being from another institution.

Priority Research Areas:

In this round of the program, the Ministry is accepting applications from all research disciplines with prioritized funding for the following areas of research:

- Automotive (includes electric vehicles)
- Artificial intelligence
- Critical minerals (includes research that supports Ontario's Ring of Fire)
- Genomics
- Life sciences (supports Ontario's Life Sciences Strategy)
- Medical devices
- Quantum technology
