?Neurofibromatosis Research Program [\(NERP\)](#) [3]:

- Clinical Trial Award
- Early Investigator Research Award
- Exploration - Hypothesis Development Award
- Investigator-Initiated Research Award
- New Investigator Award
- Synergistic Idea Award
- Clinical Trials Consortium (Pending Release)

Funding Availability

See specific call for applicable funding information.

Indirect Costs

10%

Special Notes

Please note that research activities carried out in the context of COVID-19 need to adhere to the University of Guelph COVID-19 research principles, policies, guidelines and processes as they may be updated from time to time and communicated on the [Office of Research web-page](#) [4].

If you are considering applying, please contact [Angela Vuk](#) [5] as soon as possible to assist with application requirements.

How to Apply

Submission is a two-step process requiring both pre-application submission through the electronic Biomedical Research Application Portal ([eBRAP](#)) [6] prior to the pre-application deadline, and full application submission through [Grants.gov](#) [1]. All applications must conform to the final Funding Opportunities/Program Announcements and General Application Instructions which can be found on the [Grants.gov](#) [7] website. For detailed information on the submission process, refer to the specific Program Announcement/Funding Opportunity. Additional information about applying to CDMRP programs, as well as tips for successfully preparing applications for different types of CDMRP award mechanisms, are available in the CDMRP [Webinar Series](#) [8].

If you are interested in applying, **please contact the Office of Research as soon as possible so we can work through the application process and [Grants.gov](#) [1] with you.**
