## **Minister of Colleges and Universities' Awards of Excellence 2022**

### **Sponsor**

Ontario Ministry of Colleges and Universities

### **Program**

Awards of Excellence

### **Description**

These awards celebrate the incredible work faculty, staff and graduate students on campus, across the community and beyond. These awards recognize Ontario spirit and leadership during the 2021/2022 school year.

There are two categories related to research:

- Innovation and entrepreneurship: Faculty and Staff who are working with industry and business to drive economic development
- Rising star: Faculty, Staff, and Graduate students under 35 years of age who are making a difference in education, inspiring students, or conducting innovative research in the postsecondary education sector.

There are three additional categories related to teaching and other activities:

- Everyday heroes: Faculty and Staff who have stepped up and made a difference in the lives of their students.
- Future-proofing Ontario's students: Faculty and Staff who have led the way in adapting programming that supports new ways of learning.
- Equality of opportunity: Faculty and Staff who have excelled at opening postsecondary education to marginalized and under-represented groups.

### **Special Notes**

Please note that research activities carried out in the context of COVID-19 need to adhere to

the University of Guelph COVID-19 research principles, policies, guidelines and processes as they may be updated from time to time and communicated on the [Office of Research web-page](#) [1].
