Program

[Globalink Research Award - Funding for International Research Opportunities](#) [1]

Description

The Mitacs Globalink Research Award supports research collaborations between Canada and select partner countries. The award is open to graduate students. Select destinations are also open to senior undergraduates. Funding and eligible disciplines vary by destination.

The following opportunities support travel and research from Canada to:

- Brazil
- China
- France
- India
- Korea
- Mexico
- Tunisia

Eligibility

Graduate Students:

- Cannot undertake a research project at an institution where they have previously completed a degree and/or been employed
- Cannot undertake a research project in a country where they hold citizenship (unless they are a permanent resident or citizen of Canada). Citizenship requirements may vary by destination (see the About for more information).
- Must be registered for full-time studies at a Canadian university and remain as such throughout their Globalink Research Award
- Must be the legal age of majority in Canada (18 years of age or older)
- Must meet travel requirements for their intended destination, including visa and/or

immigration requirements and associated documentation
- Cannot hold more than one Globalink Research Award per academic lifetime

Undergraduate eligibility: Undergraduate students can only travel to select destinations. These applicants must have completed their second year of studies prior to departure and maintain a B average in their two most recent semesters.

Home-Supervising Professors:

- Must hold a faculty position at a Canadian university
- Must be eligible to supervise graduate students and hold Tri-Council funding

Host-Supervising Professors:

- Must be recognized faculty members at their institutions
- Must be eligible to host graduate students

For eligible partners please see: http://www.mitacs.ca/about/academic-partners [2]
