Program

Equine Colic Proposals

For More Information

For full details on the program and eligibility criteria, please visit the [Morris Animal Foundation Grants web-page](#) [1]. The program guidelines can be accessed through the the [Morris Animal Foundation Submission site](#) [2].

Description

The Morris Animal Foundation is now accepting proposals for Established Investigator, First Award, Fellowship Training and Pilot Study grants on topics relevant to equine colic. The mission of the Morris Animal Foundation is to bridge science and resources to advance the health of animals.

Research proposals are invited on the topic of equine colic, must be focused on the intestinal tract, and must address one or more of the following areas:

- Risk factors
- Prevention or early detection
- Feeding and nutrition
- Pathophysiology

Please note: studies that involve surgical models and/or are terminal will not be accepted. Morris Animal Foundation are not accepting proposals on other topics (including resubmissions) under this Request for Proposals.

Maximum Project Value

The program budget varies based on the grant category of interest. Please refer to the program

guidelines for more details.

Indirect Costs

8%.

Project Duration

Project duration varies based on the grant category of interest. Please refer to the program guidelines for more details.

Special Notes

Please note that research activities carried out in the context of COVID-19 need to adhere to the University of Guelph COVID-19 research principles, policies, guidelines and processes as they may be updated from time to time and communicated on the [Office of Research web-page](#) [3].

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.

Type	Date	Notes
Internal Deadline	Monday, September 20, 2021 - 4:30pm	Please submit a PDF copy of your proposal, along with a signed OR-5 form to research.services@uoguelph.ca [4].
External Deadline	Monday, September 27, 2021 - 4:59pm	Applicant submits proposal via the Morris Animal Foundation Submission site [2].

How to Apply

Applications must be submitted through the [Morris Animal Foundation Submission site](#) [2]. All applicants are required to register by creating a login at this site. The individual submitting the
