## **New Human Research Ethics Application and Website – old forms will no longer be accepted after March 15**

We are pleased to announce that that Research Ethics website has been relaunched with updated forms, new FAQs, and a step-by-step guide leading you through the process of obtaining clearance from a Research Ethics Board to involve humans in your research project.

When completing an Ethics Application please be sure to always download the form directly from the website.

**Please note that the REB will no longer accept the previous application form after March 15<sup>th</sup>.**

Please visit the [new Research Ethics website](#) for more details.
