

NFRF-Transformation - Information Session for potential applicants

Date	Location	Notes
Friday September 24, 2021 10:00am to 11:00am	Online - Teams meeting	Meeting Link

Description

If you're interested in learning more about the [New Frontiers in Research Fund - Transformation Competition 2022](#), please join us for this online information session, hosted by the Office of Research Services.

The Transformation stream is designed to support large-scale, Canadian-led interdisciplinary research projects that address a major challenge with the potential to realize real and lasting change (high-reward). The challenge may be fundamental, leading to a scientific breakthrough, or applied, with a social, economic, environmental or health impact. Projects are expected to be world-leading, drawing on global research expertise where relevant.
