

NSERC 2030 Strategy Survey

Sponsor

Natural Sciences and Engineering Research Council of Canada (NSERC)

Description

NSERC is embarking on a series of activities that will lead to the development of a new long-term strategic plan to advance natural sciences and engineering research in Canada, NSERC 2030. In this first phase of their engagement plan, they are asking stakeholders in the research community like you to share your ideas and expertise. Your input will help guide and inform them in this collaborative effort to develop their next strategic plan.

The survey should take about 20 minutes to complete. To receive a link to complete the NSERC 2030 Strategy Survey, please contact nserc2030crsng@nserc-crsng.gc.ca [1]. Please note that you have until **April 1, 2021** to complete and submit the survey.

Please note, your responses will remain anonymous. Personal information will not be linked to your identity. The information you provide is collected under the authority of the NSERC Act. The collection, use, disclosure, retention and disposal of your personal information are in accordance with the Access to Information Act and the Privacy Act.

Any questions or additional feedback can be directed to nserc2030crsng@nserc-crsng.gc.ca [1].

Special Notes

Please note that research activities carried out in the context of COVID-19 need to adhere to the University of Guelph COVID-19 research principles, policies, guidelines and processes as they may be updated from time to time and communicated on the [Office of Research web-page](#) [2].

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.
