
NSERC Brockhouse Canada Prize for Interdisciplinary Research in Science and Engineering - Call for Nominations 2019

Sponsor

Natural Sciences and Engineering Research Council of Canada (NSERC)

Description

Program details and timeline are not yet confirmed. This information will be updated when the program launches.

This prize recognizes outstanding Canadian teams of researchers from different disciplines who have combined their expertise to produce achievements of outstanding international significance in the natural sciences and engineering in the last six years.

Eligibility

Nominators must be Canadian Citizens or permanent residents of Canada. Self Nominations will not be accepted.

Research teams nominated must have at least two members who are independent researchers, one of whom must hold an NSERC research grant. The team can be part of an international effort, but the majority of the team must be employed at a Canadian University or public or private organization. Contributions must be primarily in the natural sciences and engineering, and of an interdisciplinary and collaborative nature.

A team may be nominated for the NSERC Brockhouse Prize and other major NSERC prizes in the same year, but can receive only one such prize in a given year.

Prize

Up to \$250,000.00

Deadlines

If College-level review is required, your College will communicate its earlier internal deadlines.

Internal Deadline

Monday, January 7, 2019 -
8:30am

If you wish to be considered for VPR nomination, please submit your Expression of Interest (details below)

to

research.honours@uoguelph.ca

External Deadline

Friday, March 1, 2019 -
4:30pm

If your nomination will be submitted by a nominator other than the VPR, please submit directly to the sponsor by the external deadline. Please also submit a copy of the full nomination and OR-5 to research.services@uoguelph.ca

How to Apply

The Vice-President (Research) encourages nominations for this prestigious award, and will serve as nominator for those nominees recommended by the Awards Advisory Committee. If you wish to nominate a colleague or to be considered for VPR nomination, please alert your Associate Dean (Research) and submit an Expression of Interest (EOI) by the internal deadline.

An Expression of Interest will include:

- A draft letter (two-three pages) addressed to the VPR which outlines how you/your nominee meets the criteria outlined on the [program website](#).
- an up-to-date CV (up to 10 pages) for nominee (and each member of the team, if applicable);

?If your nomination will be submitted by a different nominee, and therefore does not require the Vice-President's endorsement, please submit OR-5 and complete nomination by the external deadline.
