NSERC's [Collaborative Research and Training Experience](#) [2] (CREATE) program awards grants of up to \$1.65M over 6 years for the development of innovative training programs designed to enhance collaboration and facilitate the transition of trainees to productive employees in the Canadian workforce.

In preparation for the next CREATE competition, NSERC will hold an information session via Cisco Webex webinar to provide an overview of the CREATE program and application process.

Please verify that Webex works on your computer prior to February 6th.

The webinar will be recorded. Following the presentation, a link to that recording will be emailed so that **those who are unable to attend may watch the recorded webinar later at their convenience.**

Note: Valerie Bloom is the program assistant for the CREATE program. Please contact Valerie (valerie.bloom@nserc-crsng.gc.ca [3]) if you experience difficulties with the Webex system.?
