Description

NSERC's [Collaborative Research and Training Experience](#) (CREATE) program awards grants of up to \$1.65M over 6 years for the development of innovative training programs designed to enhance collaboration and facilitate the transition of trainees to productive employees in the Canadian workforce.

In preparation for the next CREATE competition, NSERC will hold an information session via MS Teams webinar to provide an overview of the CREATE program and application process.

The webinar has been recorded:

- English – [Information Session video](#) – Password: **tJEARN9C**
- French – [Vidéo de la séance d'information](#) – Password: **mNmJJb5Z**

Please send any questions regarding the CREATE program and/or the application process in advance to CREATE@NSERC-CRSNG.gc.ca.
