NSERC Discovery Evaluation Group Q&A Session

Date	Location	Notes
Tuesday July 13, 2021 10:00am to 11:30am	Microsoft Teams	Please register through [Qualtrics](#). Once registered, you will receive the [MS Teams Link](#).

Description

Office of Research Services (ORS) in partnership with the NSERC-eligible Colleges are pleased to offer an opportunity to connect with University of Guelph NSERC Discovery Grant Evaluation Group (EG) members in a virtual, small-group session.

This session is for UG faculty members who are intending to apply to the upcoming [NSERC Discovery Grant competition](#), including faculty who will be submitting an application for the first time, re-applying after an unsuccessful round, or 'renewing' their current grant.

This session is meant to complement NSERC's [Discovery-specific on-demand webinars](#). ORS will provide introductory information on the application sections and deadlines to be aware of for the upcoming 2021/22 competition cycle, while UG EG members will provide an overview of the top tips/tricks for success and roundtable Q&A for your specific EG. These targeted break-out sessions will also allow you to connect with other researchers in your EG and internal resources from ORS and your College.

Agenda:

10:00 am: ORS Overview of Key Dates and Application Sections/Considerations

10:15 am: EG-Specific Q&A Break-Out

For questions related to the NSERC Discovery Grant program, please connect with the following internal supports:
