Thursday September 26, 2019 1:00pm to 3:00pm	Webinar - No Registration Necessary	French Session #2 Link to Connect (French)

Description

In preparation for the submission of the Full Application for the 2019 Discovery Competition, NSERC will host webinars to assist the research community on how to submit a Full Application using the [Research Portal](#). Applicants must have successfully submitted a Notice of Intent (NOI) by August 1, 2019 (extended to August 6, 2019) in order to be eligible to submit a Full Application. This is a mandatory step in the application process.

Note that NSERC has limited space in their webinars. Should you not be able to join, you can always connect through the teleconference and follow along with the presentation which will be available on [NSERC's website](#).

Considering the high attendance to these webinars, NSERC staff may not have time to respond to all individual questions during the session. Questions should be directed to NSERC's support team: RESGRANT@NSERC-CRSNG.GC.CA.

First time attending an Adobe Connect meeting?
