Description

In preparation for the submission of the Notification of Intent to Apply (NOI) for Discovery Grants, NSERC is hosting a number of webinars (varying dates with similar content in each) to assist the research community on how to submit an NOI using the [Research Portal](#) [3] and the NSERC [Canadian Common CV](#) [4] (CCV).

In order to prepare for the webinars, NSERC invites you to familiarize yourself with the following documents:

- [Memo to Potential Applicants – Notification of Intent to Apply for a Discovery Grant – 2020 Competition](#) [5]
- [Instructions for Completing the Notification of Intent to Apply for a Discovery Grant](#) [6]
- [Canadian Common CV – How to Complete NSERC's Version](#) [7]

Note that NSERC's webinars have limited space. If you are unable to join, you can always connect to the teleconference and listen in while following the presentation which will be available on NSERC's website.

Considering the high attendance to these webinars, NSERC staff may not have time to respond to all individual questions during the session. Any additional questions should be directed to NSERC's support team: RESGRANT@NSERC-CRSNG.GC.CA [8]
