

NSERC RTI 2024 Competition - Q&A Session

Date	Location	Notes
Thursday September 28, 2023 12:00pm to 1:00pm	The virtual session will be hosted via Microsoft Teams and we request that you register in advance to receive a Calendar invite.	Registration Link

Description

Applicants who will be applying to the upcoming NSERC Research Tools and Instruments (RTI) competition are invited to attend this drop-in Q&A session. The session format will have faculty members (panelists) answering questions from applicants during the drop-in session. It is important to note that the session will not include a formal presentation on the NSERC RTI program. We strongly encourage applicants to email their questions in advance of the session in an effort to ensure that all of the questions are answered during the session. Panelists include both award recipients and selection committee group members from the University of Guelph.

The session will begin promptly at 12:00 pm. Please login to Teams a few minutes early to ensure a good connection.

For more information on the NSERC RTI Competition, please view the NSERC RTI program [research alert](#).

For questions related to the NSERC RTI program, please connect with the following internal supports:
